HFS Fun Day Notice to Parents

Planning for the upcoming Fun Day is well under way. We have just a few weeks before the event which will take place on November 18th from 2-4pm at the HFC Clubhouse.

The event will raise money for the PTA to be able to provide the fun events for the school community during the academic year. Events like Pizza lunches, International food day, book week, the winter show. We are hoping to introduce some new fun events to the calendar.

VOLUNTEERS NEEDED FOR THE DAY

We will be sending you an email on Wednesday with the link on how you can register online to volunteer for the Fun Day.

This event is being arranged by the PTA. But without the help of all the families at the school it would not be possible, Volunteers are needed to run each event.

Please look out for this email and click on the link!
