

Seoul Packing List

The students will be away for 3 nights and they will need to be able to transport their own luggage to and from the guesthouse on public transport. With this in mind, we suggest the students bring the following two pieces of luggage:

A small wheellie bag – similar in size to what you would use for carry-on luggage on a flight.

A backpack which can hold their jacket, water bottle, snacks etc. They will be using this when they are visiting all the Seoul attractions.

When the students pack their bags please bear in mind this is more of a “city break” than an adventure trip. As such, they will not really need to worry about their clothing getting muddy. With this in mind we suggest they pack the following;

- A cell phone to take photos and contact home (Please note: the schools accepts no responsibility if the phone is damaged, lost or stolen. The students will be taking their phone at their own risk).
- A charger for their phone.
- Headphones if the students wish to listen to music.
- A book or e-reader to read (please no iPads or other tablets).
- The students writing journals and a pen to write with.
- 3 x tops (t-shirts or shirts).
- 3 x trousers/shorts/skirts (depending on weather forecast).
- 2 x jumpers.
- Enough changes of underwear and socks for the trip.
- 1 x waterproof jacket.
- 1 x set of sleeping clothes.
- 1 x pair of comfortable trainers. The students will be doing a lot of walking!
- Toiletries (including toothbrush, toothpaste and body wash). Older students may wish to bring deodorant.
- 1 x pair of flip flops to use in the bathroom (I believe it is a wet room style bathroom).
- 1 x towel (optional). The guesthouse provides a towel to use but this is a smaller, Korean style, towel.

- Any personal medication. Please make sure that this is in a clear Ziploc style bag with the students name, the name of the medication, when the medication needs to be taken and the purpose of the medication clearly labelled on the bag. Where possible, the students will be expected to be responsible for their own medication. If you have any questions or concerns please talk to Mr Munden or Mr McCrimmon.
- A refillable water bottle (no bigger than about 750ml please).
- 1 x packed lunch to have on the KTX train on Tuesday. Please do not pack any food that needs to be heated. Please make sure that when finished everything can be thrown away.

If you wish to send your son/daughter with spending money we suggest 30,000 KRW to spend on souvenirs or snacks (Please note: the schools accepts no responsibility if the money is lost or stolen). Other than the packed lunch the students will be having on the KTX all meals are provided for the students by Adventure Korea.

Please do not allow your son/daughter to bring any candy or sweets on the trip. If a member of staff finds that a student has candy or sweets they will be confiscated and returned on Friday when we get back.
