Estimate, measure and compare lengths, weights and capacities, Know the units of time and order the days of the week and months of the year.			<b>Revision and Problem Solving</b>			
	<b>Brainwave</b> Our brain is special because it does lots of amazing things. Once we understand how our brain works and what we can do to make it work even better, then we can improve the way that we learn.					<b>Buildings</b> There are structures around us all the time. What are they made from? What is their purpose? What do you notice about their shapes? What can be done to make them stronger? Through this unit we will become builders and discover the secrets to holding up bridges and skyscrapers.			<b>All Dressed Up</b> Clothes are an important part of our lives. They can keep us warm (or cool). We can wear different colours and designs and change them for different occasions, we can follow the latest fashions. So what do the clothes you wear say about you?						
<b>Korean</b>	Culture: Chuseok celebration Language : Greeting in Korean				Culture: King Se-Jong Language: Talking about myself in Korean			Culture: Korean Food Language: Going out for dinner in Korean
