<b>Central Concept: Exploring Our World and Beyond</b>												
<b>IEYC</b>	<p style="text-align: center;"><b>Blast Off</b></p> <p>At bedtime, the moon and the stars come out. They shine down from the night sky. Have we ever imagined what it might be like to go on a journey to the moon and the stars? What might we find there? Who might be living there? And what is the moon really made of? Perhaps it is time to find out!</p>			<p style="text-align: center;"><b>Animal Rescuers</b></p> <p>We share our world with many different animals – from the pets that we might look after at home to the big wild animals we might see on television or in books. We are going to imagine we are travelling all around the world, to visit some very exciting places and meet the animals that live there. We're also going to help these animals to feel happy and safe. Some might even want to share some amazing stories with us! Are you ready to pack your bags for a fabulous adventure?</p>				<p style="text-align: center;"><b>Imagine That</b></p> <p>An artist can be someone who likes to paint and draw, to imagine exciting adventures and fill their paper with colour and life. An artist can be someone who likes to build and make, to create models and sculptures that wow and amaze. An artist can be someone like you and me – we can all be artists, and make exciting things happen with our imagination and creativity.</p>
