

Y 2-3 Curriculum Overview for 2020/21 Term 2

	1	2	3	4	5	6	7	8	9	10
IPC	Inventions That Changed the World						How Humans Work			
English	Traditional tales from different cultures				Letters				Poems by Significant Poets	
Maths	2A Numbers and problem solving			2B Data handling and problem solving			2C Measure and problem solving			Recap and revision
PE	Online Classes	Small ball skills		Body conditioning	Bat and ball skills			Body conditioning	Target Games	
Art	Self-Portraits Children can explore ideas about self-portraits; investigate and use drawing and painting materials and technique to communicate their ideas about themselves in self-portraits.				Lunar new year activity	portraits	Journey Children can explore ideas about journeys; collect information about signs and symbols for their work; investigate lines, shapes, colours and textures to produce work on the theme of journeys.			
Music	Storytime Introduces children to famous pieces to stimulate composition. Children interpret a storyboard with sound effects, and develop their own ideas using voices and percussion.			Weather Weather raps and songs give children opportunities to create descriptive sounds and word rhythms. Children create a descriptive class composition using voices and instruments.			Pattern Using simple notations, children play, create and combine minibeast rhythms using body percussion and instruments.			Talent Show
