

## English Homework - Research Activity

Due: Tuesday 21 November 2017

TOPIC: Pick a famous volcano and research it. Your facts could include:

- 1) The name of the volcano.
- 2) Where it is found.
- 3) The history of the volcano (has it ever erupted?)
- 4) What is the current status of the volcano (dormant, extinct or active?)
- 5) If it were to erupt what would the effects be?

Your research can be presented as a poster or a PowerPoint.

Try and keep your work neat - using rulers and sharp pencils goes a long way in presentation.

Some volcanoes you could pick:

Vesuvius

Mount Sinabung

Mount Fuji

Krakatoa
